Re: Freedom of Information Act Request

Dear Sir or Madam:

I would like to view all files available at the United States Environmental Protection Agency (US EPA) offices concerning the following facilities (the "Properties"):

Facility	Address	City
Little General Store	30 Ramsey Road	Danville, WV 25053
Little General Store	501 Lincoln Avenue	Madison, WV 25130

This request is made as part of a Phase I Environmental Site Assessment (ESA) of the Properties. The purpose of the Phase I ESA is to determine whether any environmental conditions exist on the Properties that adversely affect the sites. Accordingly, I am interested in any information within US EPA files regarding the Properties and the surrounding sites, including but not limited to any permits for or inspections of the Properties, enforcement actions, and whether the Properties appear on any regulatory lists such as RCRIS, CERCLIS, UST, and LUST.

Due to the immediate nature of the investigation, please process this request as rapidly as possible. If I can provide any other information to expedite this request, please do not hesitate to call me. I look forward to your response. If you can provide me with any general information as this research progresses, I would appreciate this. Thank you for your efforts in this matter.

Sincerely,

Janice Harvey
